Research

1. Research Employment

- ❖ **Clinical Neuroscience Lab**, Dr. Christopher Patrick, Florida State University
Graduate Researcher (August 2015-present)
 - Propose, develop, and execute multiple simultaneous independent and collaborative research projects, including master's thesis and independent project.
 - Design and execute multivariate secondary analyses relating self-report, behavioral, and neuroimaging data in a multinational, longitudinal study of more than 2,000 adolescents.
 - Investigate relationships among psychopathy-related dispositional traits and neural responses (ERP, fMRI) using adult twin and undergraduate samples.
 - Develop, pilot, and optimize psychopathy-related assessment tools appropriate for multiple age groups using quantitative techniques.
 - Serve as lab's graduate student liaison to brand-new MRI center at the FSU School of Medicine.
- ❖ **Child Development Lab**, Dr. Nathan Fox, University of Maryland at College Park
Faculty Research Assistant for Temperament Over Time Study (June 2014-May 2015)
 - Served as primary liaison between collaborating labs at University of Maryland and Dr. Daniel Pine's Section on Development & Affective Neuroscience at National Institute of Mental Health.
 - Worked with a small team of research assistants to coordinate the Temperament Over Time Study, a longitudinal investigation of socio-emotional development and anxiety risk factors.
 - Scheduled and executed complex testing protocols, including functional magnetic resonance imaging, electroencephalography, and behavioral tasks, for a cohort of 500+ early adolescents.
 - Cleaned, prepared, and analyzed longitudinal behavioral and self-report data.
 - Prepared behavioral and fMRI data for analysis of dot-probe task measuring attention bias.
 - Created tracking and engagement system for participant families at high risk of attrition.
 - Assisted post-doctoral fellow in researching chapter on temperament and behavioral inhibition.
 - Designed and led monthly team meetings, lectures, and workshops for undergraduates.

2. Publications

5. Awards & Honors

- ❖ **Jane M. West Fellowship**, Florida State University, Psychology Department (Fall 2017)
 - Award: \$500.
- ❖ **Poster Award**, Society for Psychophysiological Research (Fall 2017)
 - Poster title: “Multi-domain assessment of callousness: Heritability, reliability, and validity considerations” (see Conference Presentations).

- Award: \$300.
- ❖ **Ermine M. Owenby, Jr. Travel Award**, Florida State University, College of Arts & Sciences (Fall 2017)
 - Award: \$500 to attend 2017 Society for Psychophysiological Research Annual Meeting (*see* Conference Presentations).
- ❖ **Graduate Research Development Award**, Florida State University, Department of Psychology (Fall 2017)
 - Award: \$600 to attend 2017 Society for Psychophysiological Research Annual Meeting (*see* Conference Presentations).
- ❖ **Conference Presentation Support Grant**, Florida State University, Congress of Graduate Students (Fall 2017)
 - Award: \$500 to attend 2017 Society for Psychophysiological Research Annual Meeting (*see* Conference Presentations).
- ❖ **Finalist for Cheryl Wynne Hare Poster Award**, Society for the Scientific Study of Psychopathy (Spring 2017)
 - Poster and ‘blitz talk’ title: “Towards parsimony and developmental consistency in measuring psychopathy: A new oddball paradigm” (*see* Conference Presentations).
- ❖ **APA International Conference Registration Award**, American Psychological Association (Spring 2017)
 - Award: Up to \$400 to cover registration fee for 2017 Biennial Meeting of the Society for the Scientific Study of Psychopathy (*see* Conference Presentations).
- ❖ **Conference Presentation Support Grant**, Florida State University, Congress of Graduate Students (Fall 2016)
 - Award: \$200 to attend 2016 Society for Psychophysiological Research Annual Meeting (*see* Conference Presentations).
- ❖ **Graduate Research Development Award**, Florida State University, Department of Psychology (Spring 2016)
 - Award: \$600 to attend 2016 Summer Genetics Workshop (*see* Workshops).
- ❖ **Legacy Fellowship**, Florida State University, Fellows Society (Fall 2015-Summer 2020)
 - Award: \$10,000 per year for five years.
- ❖ **First-Year Scholarship**, Florida State University, Department of Psychology (Fall 2015-Spring 2016)
 - Award: \$1,000.
- ❖ **Magna Cum Laude Degree Designation**, Georgetown University (Spring 2014)
- ❖ **Honors Thesis**, Georgetown University, Department of Psychology (Fall 2013-Spring 2014)
- ❖ **Semester Honors**, Georgetown University (Fall 2010, Fall 2011, Spring 2012, Fall 2012, Spring 2013, Fall 2013)

6. Research Experience

- ❖ **Early Learning Project**, Dr. Rachel Barr, Georgetown University
Honors Thesis Student; Research Assistant for “Baby Elmo” Program (August 2012-May 2014)
 - Authored honors thesis manuscript assessing the effectiveness of the “Baby Elmo” media-based parenting intervention program.
 - Coordinated “Baby Elmo” program in more than 10 juvenile justice facilities nationwide.
 - Led small team in continuing development, coding, and analysis of lab’s major research project.
 - Coded visits between juvenile offenders and their infant children for time use and quality of parent-child interaction.
- ❖ **Sex Offender & Psychopathy Lab**, Dr. Ray Knight, Brandeis University
Visiting Scholar (May-August 2013)
 - Reviewed extensive psychiatric and legal records for more than 30 juvenile sex offenders and coded using Psychopathy Check List – Youth Version and Juvenile Sexual Offense Recidivism Risk Assessment Tool – II.
 - Compiled incarceration and life history timelines of adult sexual offenders for collaborator Dr. Danielle Harris of San Jose State University.
- ❖ **Child Development Lab**, Dr. Nathan Fox, University of Maryland at College Park
Undergraduate Research Assistant for Temperament Over Time Study (May-August 2012)
 - Assisted in the execution of complex protocols evaluating the nine-year-old cohort of a large longitudinal study.
 - Ran and interpreted SPSS factor analysis and other statistical tests on temperament measures.
- ❖ **Moral Judgment & Information-Seeking Lab**, Dr. David Crystal, Georgetown University
Undergraduate Research Assistant (January-May 2012)
 - Explained testing procedure to study participants; performed interviews on moral judgment.
 - Processed and analyzed data from interviews.

7. *Workshops*

- ❖ **Mini-ERP Boot Camp** (September 20-21, 2016), Pre-Conference Workshop with Steven J. Luck, Society for Psychophysiological Research Annual Meeting.
- ❖ **Summer Genetics Workshop** (August 1-3, 2016), Interface of Psychology, Neuroscience, and Genetics Program, Washington University in St. Louis, MO.
- ❖ **Introductory R Workshop** (May 18 & 20, 2015), Department of Human Development and Quantitative Methodology, University of Maryland.

8. *Professional Affiliations & Service*

- ❖ **Society for the Scientific Study of Psychopathy**, Member (2016-present), Student Committee Recording Officer (2017-2019 term).
- ❖ **Graduate Student Advisory Committee**, Psychology Department, Florida State University: Part of small group of graduate student representatives to the Graduate Studies Office, assisting primarily in strategic planning and departmental website revisions (2016-present).
- ❖ **Graduate Studies Office**, Psychology Department, Florida State University: Departmental assistant responsible for updating administrative materials, including new graduate student orientation guide and alumni database forms (2016).

- ❖ **Society for Psychophysiological Research**, Member (2016-present).
- ❖ **American Psychological Association**, Member (2016-present).
- ❖ **Eastern Psychological Association**, Member (2014-present).
- ❖ **Association for Psychological Science**, Member (2013-present).
- ❖ **Psi Chi**, Member (2013-present), Director of Marketing and Social Media (Georgetown University Chapter, 2013-2014 term).

9. *Editorial Service*

- ❖ **Personality Disorders: Theory, Research, and Treatment**, Guest Reviewer (2017)
- ❖ **Clinical Psychological Science**, Guest Reviewer (2017)
- ❖ **Cognitive, Affective, and Behavioral Neuroscience**, Guest Reviewer (2017)
- ❖ **Children and Youth Services Review**, Guest Reviewer (2016)
- ❖ **Journal of Experimental Social Psychology**, Guest Reviewer (2016)
- ❖ **Journal of Individual Differences**, Guest Reviewer (2015)

10. *Technical Expertise*

- ❖ Advanced proficiency in SPSS
- ❖ Advanced proficiency in Microsoft Excel, Word, PowerPoint, Google Drive
- ❖ Advanced coursework in research design, methodology, and statistical analysis (including ANOVA, multiple regression, and structural equation modeling)
- ❖ Intermediate proficiency in MATLAB
- ❖ Intermediate proficiency in SPM8
- ❖ Intermediate proficiency in AFNI
- ❖ Intermediate proficiency in PLINK
- ❖ Introductory proficiency in R
- ❖ Familiarity with handling and training laboratory rats
- ❖ Trained in MRI and EEG safety at National Institutes of Health Clinical Center, University of Maryland, and Florida State University Department of Psychology and School of Medicine

11. *Other Skills*

- ❖ Expertise in English writing for academic, professional, and general audiences
 - Chief Copy Editor for *The Hoya*, Georgetown University's Newspaper of Record (2011-2012)

- ❖ Advanced proficiency in Spanish reading, writing, and speaking

Teaching

- ❖ **EXP-3422: Conditioning & Learning Laboratory**, Dr. Diana Williams, Dr. Elizabeth Hammock, and Dr. Gina O'Neal-Moffitt, Florida State University
Teaching Assistant (August 2016-present)
 - Instructor of record for complementary laboratory course (6 sections total).
 - Deliver weekly lectures about principles of conditioning, supervise experiments using rats, grade weekly homework assignments and lab reports, and meet with students individually.
- ❖ **CLP-4143: Abnormal Psychology**, Casey Strickland, Florida State University
Guest Lecturer (September 2017)
 - Presented 50-minute lecture on unipolar depressive disorders to class of 220.
- ❖ **CLP-4392: Psychology of Criminal Behavior**, Dr. Christopher Patrick, Florida State University
Departmental Assistant (August-December 2015)
 - Graded weekly assignments for 115 students; mentored individual psychology students.
 - Developed and presented one 75-minute lecture as substitute for instructor of record.
- ❖ **EXP-3422C: Conditioning & Learning Lab**, Dr. Gina O'Neal-Moffitt, Florida State University
Departmental Assistant (August-December 2015)
 - Graded weekly lab reports for 57 students.
- ❖ **Individual tutoring**, Milton, MA, Washington, DC, & Bethesda, MD (August 2010-May 2015)
 - Provided regular individual tutoring to four learning-disabled high-school students in algebra, statistics, calculus, English language and literature, beginning to advanced Spanish, chemistry, biology, SAT I and II, and course-linked Advanced Placement tests.

Clinical Activities

1. Clinical Training

- ❖ **Individual Therapy**, Florida State University Psychology Clinic (August 2016-present)
 - Provide weekly evidence-based individual therapy for three-client adult and child caseload, including individuals at severe risk for suicide.
 - Participate in weekly supervision and staffing meetings.
- ❖ **Parent Strategies Group**, Florida State University Psychology Clinic (August 2016-present)
 - Coordinate and lead weekly evidence-based parenting skills group therapy (Barkley, 2013) for parents of children aged 4 to 12 with defiant/noncompliant behavior problems.
 - Participate in biweekly supervision.
- ❖ **Zones of Regulation Group**, Florida State University Multidisciplinary Center (June-July 2017)

- Led twice-weekly emotion regulation skills group for 10 children aged 5-13.
- Participated in weekly supervision.

2. *Clinical Skills*

- ❖ Experience in provision of individual manualized cognitive-behavioral therapy (CBT) for mood and anxiety disorders in childhood and adulthood, behavior activation treatment for depression, individual dialectical behavior therapy skills coaching for borderline personality disorder, prolonged exposure for post-traumatic stress disorder, and individual emotion regulation skills coaching for childhood autism spectrum disorder.
- ❖ Experience in provision of manualized group therapies for parents of defiant/noncompliant children and for emotionally dysregulated children.
- ❖ Trained in empirical suicide risk assessment and response procedures at Florida State University Psychology Clinic.
- ❖ Trained in Structured Clinical Interview for DSM-5 (SCID-5) administration.
- ❖ Trained in Minnesota Multiphasic Personality Inventory–2 (MMPI-2) and MMPI-2-RF interpretation.
- ❖ Trained to assess intelligence using Wechsler Adult Intelligence Scale, Wechsler Intelligence Scale for Children, and Wechsler Abbreviated Scale of Intelligence.

3. *Workshops*

- ❖ **Allies & Safe Zones 101** (May 1, 2017), Florida State University.
- ❖ **Cultural and Therapeutic Alliance: Seven Empirically Supported Guidelines for Improving Multicultural Competency in CBT** (January 20, 2017), Webinar with Anu Asnaani, Association for Behavioral and Cognitive Therapies.
- ❖ **Introductory Motivational Interviewing Workshop** (October 5 & 10, 2016), Florida State University.
